## Camp Hours

### Liability Release, Payment, Refund, Behavior and Cancellation Policies

I, as a parent or guardian, understand that Tidewater Players takes reasonable precautions to insure that qualified personnel conduct Tidewater Player's programs and activities in a safe and responsible manner. I hereby release, indemnify and hold harmless Tidewater Players, officers, agents, employees and Volunteers from all liability for damage, injury, death or illness to my child or his/her property relating to or deriving from my child presence at Tidewater Players or participation in activities whether arising from an act or omission, negligent or otherwise, by the releasees or otherwise to the fullest extent permitted by law. Tuition Fees must be paid and submitted with registration forms. I acknowledge that signing below is also the authorization of any and all charges to the account or credit card I have deemed to pay for registration fees. I understand that tuition fees are non-refundable. During this Program I know my child will receive a Behavioral expectations and consequences contract they have signed. If my child breaks any of the rules multiple times and is found to be a distraction from the camp, they will be asked not return to the camp and/or any performances. If my child is withdrawn from the program for behavior, there will be no refund of the tuition fee. If my child wants to participate in future Tidewater Jr. and/or Tidewater Teens productions we will have to submit a re-admittance form that will be submitted to the Board for approval. It is my understanding that I will be contacted prior to any severe actions taken by the staff depending on the severity.

I know my child is required to attend every day of camp. One missed unexcused day will result in my child losing their role and offered a more appropriate role for their time commitment. If my child misses more than two excused days they will be replaced with their understudy. I know that it is a short camp and rehearsal time cannot be lost, whether it is my child's choice or not. I understand the above listed policy and Procedures and will fully support any actions taken if there is an issue with my child. If the camp is canceled for lack of students I will receive a refund.

**I have read and understand the contents of this application including the Liability Release and Payment and Cancellation Policies.**
